2. STI Project Prioritizing Ranking Exercise

Mr. Kenneth (Wilson's Mills) requested the TAC members to complete the ranking exercise and deliver back to Mr. James Salmons. He asked the members if two weeks would provide the members enough time to be able to complete the exercise. There was a consensus that members would have their sheets completed delivered to Mr. James Salmons by Wednesday, June 25, 2014. It was noted that members would need to wait until Mr. Salmons provided updated project scoring sheets with the updated data scores provided by NCDOT. Mr. Ronnie Keeter requested a list of all current TAC members. Mr. Salmons stated he would provide the list of members with the email containing the updated project scoring sheets. Once all scoring sheets are completed all results will be posted on the UCPRPO's website (www.ucprpo.org) for public review and comments. The next meeting to adopt the STI Point Allocation is scheduled to be held July 23, 2014 from 2:00pm-5:00pm.
